STATISTICS AND FACTS ABOUT NEBRASKA SCHOOLS

INFORMATION PERTAINING TO PUBLIC AND NON-PUBLIC SCHOOLS OF NEBRASKA FOR THE SCHOOL YEAR 1979-80

(VOLUME II)

The State Department of Education obtains general statistical information from all school systems on a biannual basis. This publication is issued to present select information which was reported on the Annual Term Summary Reports, approximately July 31, 1980, following the completion of the 1979-80 school term. Volume I which was issued in March 1980, combined with this volume presents general statewide statistical data for the complete school year 1979-80. School District financial information is contained in a separate publication.

INTRODUCTION

Nebraska public school districts are grouped according to classes of districts from one to six inclusive. The public school district classifications are defined as follows by the State Statute 79-102:

(1) Class I shall include any school district that maintains only elementary grades under the direction of a single school board.

(2) Class II shall include any school district embracing territory having a population of one thousand inhabitants or less that maintain both elementary and high school grades under the direction of a single school board.

(3) Class III shall include any school district embracing territory having a population of more than one thousand and less than fifty thousand inhabitants that maintains both elementary and high school grades under the direction of a single board of education.

(4) Class IV shall include any school district embracing territory having a population of more than fifty thousand and less than two hundred thousand inhabitants that maintains both elementary and high school grades under the direction of a single board of education.

(5) Class V shall include any school district embracing territory having a population of two hundred thousand or more that maintains both elementary grades and high school grades under the direction of a single board of education.

(6) Class VI shall include any school district in this state that maintains only a high school.
